# Set usage alerts
to monitor your electricity use.

Get notified when you use more or less electricity than you expect by adding email and text notifications for weekly, daily, hourly, 30-minute, or 15-minute intervals.

You set the amount, and you can change your alerts at any time.

Scan the QR code to download the Connexus Energy app or sign into your account at **connexusenergy.com**.

Connexus Energy is dedicated to helping you save energy and money.
