

# Scholarships for 2024 high school graduates

The Connexus Energy Foundation supports students in the Connexus territory who advance their education by attending a college, university, vocational-technical school and/or trade school following their high school graduation.

The scholarship applicant's parent or guardian must be a Connexus member. **Eligible high school seniors should contact their guidance counselor for application information.** Each school has an established selection process for determining the deserving recipient(s).

## 63 scholarships totaling \$59,000 were awarded in 2023
