

October is NATIONAL CO-OP MONTH!

Celebrated by cooperatives nationwide during the month of October, National Co-op Month is an annual opportunity to raise awareness of a trusted, proven way to do business and build resilient, inclusive communities.

What does being part of a co-op mean to you?

- » Our members have a voice – and a vote.
- » We put any profits back into our cooperative for efficient operations and our Cash Back program.
- » We invest in local education. The Connexus Energy FoundationSM has awarded \$223,000 in scholarships to 227 high school seniors since 2020.
- » We were built by the community we serve and continue to give back. Our *Your Community, Your Choice* program donates \$1,500 to a local non-profit organization that our members choose each month.
- » We're local. Our employees live and work alongside the members we serve.
